Att: Matt Roberts

Gentlemen:

As I discussed with you on the phone a few days ago we would like to do the landscape project on the CIA Headquarters Expansion Project, Langely (McLean), Va.

I have talked to Mr. Arthur Carlucci @ (703) 821-2490 who informed me that the landscaping of this project had been set aside as a small business set aside project, which he thought would be handled by the small business administration as a negotiated bid. This is all the information I have. I am enclosing copy of card I received from a general contractor for me to bid as a sub before the set aside took place which may be of some help. Mr. Carlucci indicated he would help further if he could and to feel free to contact him.

I would greatly appreciate you finding out more details of this job; who I might contact, how I may qualify, starting and completion date, and any other pertinent information.

I will appreciate whatever help you may be in this matter and thank you for your efforts.

Sincerely,

Arthur Clark
